December 3

Locker Training followed by Wine & Cheese

Sport Manitoba Hall of Fame, Winnipeg.

6:00 pm – 9:00 pm

Does the thought of keeping track of your career in the Locker fill you with shivers? Do you know how to add your annual Professional Development points? Your First Aid renewal? How to have your Respect In Sport added automatically? Why, this is just a breeze! Why is this important? Did you realize you can use the Locker as your Sport Resume? Show it to new clients to prove the range of training you have received to achieve your current certification.

For attendees working towards Instructor/Coach status, this can be your first step on the road. Attend this session and then enjoy some beverages, snacks and shooting the breeze with your fellow coaches. Bring your laptop if you wish, to get hands-on experience.
