

CHECKLIST FACILITY OWNERS/COMPETITION MANAGEMENT RECOMENDATIONS FOR RETURN TO COMPETITION

Use this checklist to ensure all requirements for return to in-person training and competition are met.
You are strongly encouraged to read Manitoba Horse Council's Return to Operations and Return to Competitions documents for additional health and safety precautions

For Equestrian Canada sanctioning requirements, Competition Organizers must refer to the Equestrian Canada Policy for Enhanced Competition Safety during the COVID-19 Pandemic

Federal/Provincial/Regional/Municipal Government Requirements

- All levels of governing authority still permit competitions to occur

Provincial Organization Requirements

- Please check with Manitoba Horse Council's webpage for current requirements
- Comply with Manitoba Horse Council's Return to Competition Plan

Local Health Authority Requirements (may change)

- Physical distancing measures of a minimum 2 metres between participants not in the same household are implemented.
- Group sizes for events do not exceed 100 people in one outdoor location or 50 people in indoor location. (Includes competitors, essential services and spectators)
- Process for completion of the waivers, attestations, and checklists for all participants.
- Personal hygiene measures are in place: Frequent hand washing / sanitizing
- Cough / sneeze etiquette
- Do not attend if feeling any COVID-19 symptoms
- Process for Contact Tracing has been implemented including secure storage/retention of information.
- Personal Protective Equipment (PPE) is readily available

General Requirements of Manitoba Horse Council

- Activities to occur within the guidelines of the Return to Competition document approved by Province of Manitoba
- Written event plan must be available upon request by Manitoba Horse Council
- Signed waivers and attestations/assumption of risk have been received and kept on file for all participants for the recommended period. (Manitoba Horse Council offers storage facilities)
- Classes must be scheduled with a buffer to limit overlap of participants
- Spectators are permitted only within allowable occupancy numbers
