Name of Nominee	Sarah Read
MHC#	301533
Board Position of Interest	Competitions Chair
Brief Description of Nominee's interest and fit for the Board and Position of Interest:	
<p>I have been active in the horse industry since 1986 when in the UK I earned my BHSAI. I have taught from beginner to competition to a greater or lesser extent since then. I am a recorded 2 EC Steward as well as an EC Competition Coach. I currently have 20+ students in the west of the Province. I am Manitoba National Director for Pony Club as well as Vice chair and Tetrathlon chair. I was never much of a competitor myself preferring to develop horses with and for owners and be on the ground at competitions. Hunter trials and hunting were my passion. I have taken young students to national and international competition over the years gaining knowledge along the way. I would like to see the west represented on the MHC board and feel that I could be a good fit. I work full time as a school Educational assistant and bus driver and have a small hobby farm with my family horses and some local boarders. Thank you for your consideration.</p>
