The refinement of the reconciliation process is to ally the expenditures on activities to match more closely the information required by Sport Manitoba when MHC's annual overall grant submission is prepared.

For instance, MHC will be looking for information such as:

Sample category 1: *Level of competition (ie Grass roots, provincially sanctioned, nationally sanctioned, etc)*
 Total number of coaches attending (NCCP, other certification or self-declared)
 How many athletes (riders) involved
 Their age ranges
 Male / female / other
 Their skill levels (ie Beginner, Intermediate, on Coach Pathway, High Performance)
 What area competitors are from

Sample Category 2: *Does the clinic teach topics such as Rider/Horse competencies, Strength and conditioning for the rider, Nutrition, Physical and Mental Training etc.*

Category that your activity falls under (can be more than one)	1. Competitions (all levels from grass roots up)	2. Clinics/Training Events (theory or practical)	3. Enhancement for Members (Awards, volunteer recognition, scholarships, bursaries etc)	4. Special Projects (ie non-capital purchase or maintenance of club owned or leased property/equipment)
Approximate expenditure planned January / July 2022
