

Mini Master Class: Equine Nutrition

Kim van Cauwenberghe

Feed as Fuel; When Less Means More. A discussion about feed additives, inorganic vs. organic Trace Minerals, and other feed qualities. Want to know more about these, and other equine nutrition solutions for all stages of your horse's life? For information on how to get the most out of your feed, and keep your horse in top condition, join Kim Van Cauwenberghe from Masterfeeds at this Mini Master Class
