Post-Event Billing Report

The designated Event Liaison Officer (ELO) or Barn Manager must accompany the Equestrian Centre Manager during a final inspection (walkthrough) of the barns at the end of the clinic. Following this inspection the final billing will be prepared by the Equestrian Centre Manager and must be signed by the ELO to indicate acceptance of all charges noted. A copy of the billing report will be given to ELO. Applicable taxes will be added to all charges. Failure to participate in the final inspection (walk-through) and signing of the final billing report will result in levying of a \$50 charge. Negotiation regarding items billed will not be entered into once the final billing report has been signed by the ELO.

Additional Instructions/Requirements
