

NATIONAL COACHES WEEK

September 17 – 25, 2022

National Coaches Week encourages Canadians to say thanks and to celebrate the tremendous positive impact coaches have on athletes and communities. This week is an opportunity to recognize coaches for the integral role they play by simply saying #ThanksCoach.

Toolkit

The Coaching Association of Canada has created a Participation Guide, which includes National Coaches Week graphics you can personalize to your sport, templates and wording for your newsletter, social media, and more: <https://coach.ca/national-coaches-week>

Social Media Campaign

Sport Manitoba will be posting a #ThanksCoach video to highlight the amazing contribution coaches have made in Manitoba and we encourage sport organizations to thank their coaches on social media too!

Ask your members to say #ThanksCoach. Have them post a message and/or video on Twitter, Instagram, or Facebook with the hashtag #ThanksCoach and tag @SportManitoba on Twitter and Instagram or @SportMB on Facebook.

From September 19 – 23, the Paul Robson Resource Centre for Leadership and Coaching, 2nd floor, 145 Pacific Avenue, will be a place where #ThanksCoach videos can be filmed or nominate a coach for a Night of Champions coaching award and receive some goodies!
