

WANT TO GET REWARDED FOR SIMPLY RIDING OR DRIVING YOUR HORSE?

Manitoba Horse Council's (MHC) Ride and Drive program recognizes riders and drivers of horses for logging the hours they spend riding or driving. It is open to all MHC Recreational members having fun with their horses! Even those who rent/lease a horse are eligible to participate.

There is no age restriction - *it's for the young and the young-at-heart!* All that is required is your yearly MHC Recreation membership. Then start counting the hours of fun and relaxation riding/driving your horses. The hours accumulate and continue to build up even if you have to re-register (this means you never lose your hours). The ultimate goal of 4,000 hours is worth striving for!

Rewards are progressive, starting with the 25 hour level and ending at the 4000 hour level. Hours spent riding or driving must be logged on a Ride & Drive log sheet and submitted at each level.
