Masterfeeds MHC Collector Program

Masterfeeds is offering Members of the Manitoba Horse Council a Frequent Buyer Program. For every 15 bags of Masterfeeds equine feeds purchased, MHC Members will receive a \$30 voucher to use towards your next purchase of Masterfeeds products including Masterfeeds complete feeds, supplements, and loose horse mineral. (Does not include Steam Rolled Oats, 60:30:10 or other items such as bran or beet pulp) The MHC Member Card must be valid and presented at the time of purchase. \$30 Vouchers must be claimed by December 31st of the calendar year in which they are issued for accounting purposes.

Happy horse. Happy life.™

Masterfeeds provides equine nutrition solutions for all stages of your horse's life. Growth and development, breeding, lifestyle and easy keepers, training and performance, plus senior and special needs feeding are all available with proven, effective equine nutrition solutions.

Masterfeeds Equine feeds include Alltech Total Replacement Technology (TRT) – all our feeds are made with 100% organic trace minerals. This means that the minerals you choose to feed your horses with Masterfeeds products will be better absorbed, better stored, and better utilized by your horse.
